

Forest School Meg Safeguarding policy

Purpose

Forest School Meg is committed to safeguarding and promoting the welfare of all children. We believe all children have the right to feel safe, secure and respected.

Our approach

We follow current UK government safeguarding guidance and local authority procedures. We remain alert to signs that a child may be at risk of harm and take all concerns seriously. We make sure all training and qualifications remain relevant and up to date.

If a concern arises

If we have a concern about a child's safety or wellbeing:

The concern will be recorded where appropriate

It will be responded to promptly and appropriately

Relevant agencies may be contacted in line with safeguarding procedures

Confidentiality will be respected; however, information will be shared where necessary to protect a child.

Our commitment

We will always act in the best interests of the child and prioritise their safety and wellbeing.

In the spirit of Forest School...

We create an environment where children feel safe, valued and able to be themselves.
